MOTTO: Friends

What is GWRRA?

The Gold Wing Road Riders Association (GWRRA) is the world's largest single-marque organization for owners and riders of Honda Gold Wing/Valkyrie motorcycles and, some would say, the world's largest family. GWRRA Members enjoy the freedom of belonging to a non-profit, non-religious and non-political social organization of motorcycle enthusiasts.

Our Global Family.

Founded in 1977, GWRRA has grown in 30 years to more than 80,000 U.S., Canadian and international Members representing 46 foreign countries. Approximately 800 active Chapters are managed by some 4,000 volunteer leaders working

with Members to foster safe, enjoyable riding while working to improve the public image of motorcycling.

The 'Typical' GWRRA Member.

GWRRA Members are men and women from all walks of life with varied interests and backgrounds. There are riders in their teens, riders in their 90s and every age in between! Some Members ride solo, some with Co-Riders, children or grandchildren! Many join for the technical information shared; others join just to make friends, ride and have fun. In short, the "typical" GWRRA Member is you!

for Fun, Safety

There are as many reasons to join as there are Members.

The GWRRA Gold Book

A Directory of Friends Worldwide

The exclusive GWRRA Member Service Directory, the *Gold Book* lists participating GWRRA Members' names, phone numbers and resources they can share. The *Gold Book* also offers resources for Honda dealers, tools, lodging, travel advice, camping space and, of course, fellowship. The *Gold Book* is a vital tool when you're on the road and is included in your membership!

Rider Education

Working hand-in-glove with such eminent organizations as the Motorcycle Safety Foundation (MSF) and the national association of State Motorcycle Administrators (SMSA), GWRRA Educators conduct informative and entertaining riding and classroom sessions to improve riding skills and safety. GWRRA's exclusive four-tier Rider Education Program encourages consistent ongoing training through commitment to safe motorcycling, frequently refreshed training in CPR and first aid skills, and ongoing study. Recognizing the realities of today's motorcycling, GWRRA is one of the few sources of skill and safety education for motorcyclists who operate trikes and/or who pull trailers. GWRRA conducts hundreds of seminars and training sessions through its volunteer corps of educators, and takes the message of being "motorcycle aware" to the general public through its exclusive and proactive public speaking volunteers in its Motorist Awareness Division (MAD). <http://www.gwrra.org/regional/ridered/index.html>
